

T3 Motion Fulfills Initial Shipment of T3's on Three-year Contract with New York Police Department

The T3 Series Clean Energy, Electric Stand-up Vehicle Increases New York City Law Enforcement Officers Patrol Capabilities

Costa Mesa, CA (November 22, 2010) www.t3motion.com - T3 Motion, Inc. (OTC BB: TMMM) announces the first shipment on a multi-unit purchase order from the New York Police Department (N.Y.P.D.) for the iconic T3 Series Electric Stand-up Vehicle (ESV). The contract award allows up to 90 units to be purchased over three fiscal years. The N.Y.P.D. multi-unit order will enable the world's largest police department to lower operating costs and increase patrol capabilities, especially in subways and crowded areas throughout their jurisdictions. T3 Motion shipped six units of the T3 Series to the N.Y.P.D.

"We are incredibly honored to work with N.Y.P.D. and their revolutionary commitment to clean energy and public safety," said Ki Nam, T3 Motion, Inc. C.E.O. "Being the world's largest police force, N.Y.P.D. has a vast range of patrol requirements. The electric T3 Series is designed as a cost-effective solution for exterior and interior police operations throughout the city. With a nine-inch elevated platform, an officer on a T3 Series ESV has an elevated line of sight and has a command presence in crowds."

T3 Series Electric Stand-up Vehicle (ESV) by T3 Motion, Inc. Deployed by N.Y.P.D

Launched in 2006, the T3 Series and international version, T3 i-Series of Electric Stand-up Vehicle (ESV), captured the U.S. clean energy market with a revolutionary and economical 'green' solution. The T3 Series are deployed extensively throughout the USA within the Law Enforcement, Government, Military, Private Industry and Security markets. The T3 Series commands authority while reducing operating cost to 10 cents per (USD) day.

T3 Series Features

The cutting-edge 'green' technology provides a low cost of operation- at less than 10 cents per day, with two interchangeable and re-chargeable batteries, the T3 has 24/7 operation with unlimited range.

- Zero-degree turning radius
- Swap-able batteries
- Speeds up to 20 mph [25 km/h]
- 9-inch raised platform provides a superior vantage point

About T3 Motion, Inc.

T3 Motion, Inc. (OTC BB: TMMM) revolutionized the world of personal mobility with the introduction of their flagship electric T3 Series law enforcement vehicles at the International Association of Chiefs of Police conference held in October 2006. Headquartered in Orange County, California, T3 Motion, Inc. is dedicated to raising the bar on environmental standards and law enforcement and security capabilities in personal mobility technology.

In June of this year, T3 Motion unveiled the GT3 plug-in electric consumer vehicle. The proprietary rear-wheel design of the GT3 features a patent-pending, single, wide-stance wheel with two high-performance tires sharing one wheel. The revolutionary two-tire design improves traction, stability, and handling, while the low rolling resistance and rounded profile of the rear tires increase energy efficiency. The GT3 will incorporate the Apple® iPad™ into the sleek dashboard design. Due to its three-wheeled design, the GT3 is classified as a motorcycle. <http://www.facebook.com/pages/Gt3-Electric-Vehicle/105625892815799>

T3 Motion's Motiontrak 300SM is a "black box" in-car video and data recording system (www.motiontrak.com). Data monitored by Motiontrak 300SM include vehicle speed, location, and g-force shocks. Built-in GPS capability is integrated with Google Maps to track precise location and provide a vehicle movement overview. Sophisticated software enables the user to see video footage from the vehicle's perspective, overhead Google Earth location display, and numeric as well as graphical data on a single screen.

For more information on T3 Motion, Inc. and the company's signature T3 Series line of electric personal mobility vehicles, the electric CT Series Micro Car, and the upcoming GT3 consumer vehicle, visit www.t3motion.com, email sales@t3motion.com or call 714-619-3600.
