T3 MOTION DELIVERS 17 T3 i-SERIES ESVs TO ABU DHABI POLICE THROUGH NEW PARTNERSHIP WITH ATLAS (DYNAMIC SECURITY)

ATLAS (DYNAMIC SECURITY) TO DISTRIBUTE T3 i-SERIES ESVs IN UNITED ARAB EMIRATES

Costa Mesa, CA (December 22, 2009) - T3 Motion, Inc., through its new partnership with U.A.E.-based Atlas (Dynamic Security), has delivered 17 T3 i-Series electric stand-up vehicles (ESVs) to the Abu Dhabi Police Department. The impressive multi-unit order means the Abu Dhabi Police Department currently has the largest fleet of T3 i-Series ESVs in the entire Gulf Cooperation Council (G.C.C.) region which is comprised of Bahrain, Oman, Kuwait, Qatar, Saudi Arabia, and the United Arab Emirates.

Atlas (Dynamic Security) has joined forces with California-based T3 Motion, Inc. to distribute the international version of the popular T3 Series electric personal mobility vehicle to the United Arab Emirates. The T3 i-Series is designed for international markets such as the Middle East and Europe.

The first two of the 17 Abu Dhabi Police T3 i-Series were unveiled in February 2009 during the IDEX Expo at the Abu Dhabi Convention Center. The Abu Dhabi Police plan to utilize the T3 i-Series vehicles to patrol The Corniche, the Center of Abu Dhabi City, and the Abu Dhabi International Airport.

“We at Atlas (Dynamic Security) are extremely pleased to partner with T3 Motion, Inc. to distribute their revolutionary electric vehicles like the T3 Series to the United Arab Emirates,” said Mohamed Al Mutawa, Atlas (Dynamic Security) Head of Security Solutions “Abu Dhabi and Dubai represent terrific markets for clean technology and the initial deployment of 17 T3s to the Abu Dhabi Police shows the intense interest in professional electric vehicles.”

According to Colonel Hamad Ajlan Al Amyami, Director of Al Ain Police Directorate this step was intended to enhance communication with community members in response to the directives of HH Lt. General Sheikh Saif bin Zayed Al Nahyan, Deputy Prime Minister and Minister of Interior.

“Through our wonderful partnership with Atlas (Dynamic Security), T3 Motion is very excited to be working with the Abu Dhabi Police Department,” said Ki Nam, T3 Motion, Inc. C.E.O. “Our T3 i-Series ESVs are ideal for international public safety applications around the globe. With the deployment of 17 T3s, the Abu Dhabi Police Department is demonstrating their world-class commitment to public safety and clean technology.”

About Atlas (Dynamic Security):

United Arab Emirates-based Atlas (Dynamic Security) specializes in Security and other technology related products to the Security Industry. Atlas have been in business for over 24 years and supply a vast range of High Tech communications and surveillance solutions for the region.

About the T3 i-Series:

Reaching speeds up to 15.5 m.p.h. [25 k.p.h.] and designed with the input of law enforcement and security industry professionals, the T3 i-Series features a zero-degree turning radius and compact design—perfect for maneuvering through crowds and tight spaces. Also unique to the T3 i-Series is the most user-friendly intuitive operation of its kind, giving the rider a sense of superior stability.

The quiet environmentally-friendly zero gas emission vehicles include an integrated LED lighting system and an incomparable low cost of operation—running for less than 10 cents per day and never requiring any down time due to the T3's two re-chargeable, lightweight batteries that can be easily swapped out while in-use for continual deployment and an unlimited range.

T3 i-Series Features:

- High-performance vehicle with a zero-degree turning radius for improved maneuverability in crowds and tight spaces
- Two rechargeable and interchangeable lightweight power modules for constant use without down time
- Capable of reaching speeds up to 15.5 m.p.h. [25 k.p.h.] for quick without officer or personnel fatigue
- An instinctive vehicle with easy-to-operate controls and responsive steering that allows officers and security personnel to focus on response to the situation
- A 9-inch raised platform providing a superior vantage point but still allowing for interaction with the community
- Robust cargo capacity of 450 pounds [204 kg] (rider + equipment) includes the ability to tow personnel and equipment/cargo trailers

Additional T3 i-Series Features Specific to Law Enforcement and Security:

- Integrated LED lighting system
- Fully-compliant headlights, brake lights and running lights
- Audible siren and yelp horn
- Lockable glove box for storage
- Optional GPS-enabled tracking system
- Optional on-board video camera system

About T3 Motion:

T3 Motion, Inc. (OTCBB: TMMM) revolutionized the world of personal mobility with the introduction of their flagship clean energy electric T3 Series law enforcement vehicles at the International Association of Chiefs of Police conference in October 2006. Headquartered in Orange County, California, T3 Motion, Inc. is dedicated to raising the bar on environmental standards as well as law enforcement and security capabilities through electric personal mobility technology. For more information on T3 Motion, Inc. and the company's signature clean technology T3 Series Electric Stand-up Vehicles (ESVs), the CT Micro Car, and the upcoming CT3 consumer vehicle, visit www.t3motion.com or call (714) 619-3600.
