Adjustable LED Headlight

LCD Display

Integrated LED Lighting

0-Degree Turning Radius

Intuitive Controls

Lockable Storage

Swappable Power Modules

Hydraulic Disc Brakes

T3 Series: Clean Energy  Zero Gas Emissions

T3 SERIES ADVANTAGES

Command Presence

"The T3 really has a police presence that we found appealing. It projects authority."

Hoover (AL) Police Department

Agility

"It gets you where you're going, and you can turn it 180-degrees, while a golf cart takes a 3-point turn."

Los Angeles Valley College Security Department

Community Policing

"It makes me a lot more personable, that's what I really like about it."

Los Angeles County Sheriff's Department

T3 Series: Clean Energy  Zero Gas Emissions

T3 SERIES BENEFITS

Step onto T3...and step into the future

- Low cost of operation (uses about 10 cents per day of electricity*)
- Energy-efficient electric motor gets the equivalent of over 500 miles a gallon*
- Three-wheeled operator platform—stable while stationary on up to full-speed
- Twin hydraulic rear disk brakes (separate from front drive wheel)
- Vehicle projects image of authority/omnipresence and can increase officer safety
- Power modules can easily be hot-swapped in seconds
- On average, 2 sets of Power Modules enable 24-hour unlimited range operation*
- User-selectable speed settings from 5, 8, 10, 12 m.p.h. and Maximum
- Fully-compliant Law Enforcement LED emergency lighting package
- Vertically + Horizontally-adjustable LED high-intensity headlight
- Payload capacity up to 450 pounds (rider + equipment)
- Personnel can respond at speeds up to 20 m.p.h.*
